Introduction – The Centrality of Jesus – His Story
Community Life Group Questions

1. Read Luke 24:13-35. What does it mean, their eyes were opened? How does Story help "open their eyes?" Why does Jesus believe that He needs to explain more than His Life and Death and Resurrection to make this happen?

2. We obviously cannot attempt to retell the entire Story of God every time we have an opportunity to share about our relationship with God. And yet, Jesus Himself believes the entire Story IS the Gospel and needs to be told. How do we do this in our everyday relationships? Share examples.

3. Read John 1:1-18. In John 1, Jesus is described as the Logos, the Word. What does this mean? Why this image?

4. In Genesis 1, Jesus is the Creator. In John 1, the New Beginning, Jesus is the One that Re-generates. Share something with the group, even the smallest way, that you have seen Jesus through your life "make all things new" this past week?
